

# TIDEWATER MARINE INTERN OPPURTUNITIES

The Engineering and Technical Services Department of Tidewater Marine is currently seeking applicants for its intern program. Applicants should have a junior status or above, be actively enrolled in the College of Engineering, and seeking a degree in Naval Architecture, Mechanical Engineering, or Civil Engineering.

Based in New Orleans, Tidewater, which owns over 400 vessels, is the world's largest offshore support vessels operator.

Tidewater's Intern program includes the opportunity for summer employment as well as part time employment during the school year.

Interested applicants should send their Resume to the attention of Mr. David Manning, Manager of Engineering, via email [dmanning@tdw.com](mailto:dmanning@tdw.com)
